**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using the toilet.

**USER SAFETY RECOMMENDATIONS**

**Users Should:** Wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**FIRST AID**

If on skin or clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not wash or blow pesticide off the treatment area. See Directions for use for additional precautions and requirements. This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are visiting the treatment area.

**PHYSICAL OR CHEMICAL HAZARDS:**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause container to burst. Pouring from a pressure container or releasing from a pressurized application release devices.

**DIRECTIONS FOR USE:**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**PRECAUTIONS AND RESTRICTIONS:**

Do not remain in the treated area. Do not allow children, or pets to enter until vapors, mists, and aerosols have dispersed and the treated area has been thoroughly ventilated. Do not allow adults, children, or pets to enter until sprays have dried. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use. Do not apply directly into sewers or drains, storm drains, water bodies, or aquatic habitat may occur. Do not allow the product to enter any drain during or after application. Do not apply when windy. Do not make applications during rain. To prevent product run-off, do not apply prior to heavy rainfall. Do not water the treated area to the point of run-off. All outdoor applications must be limited to spots or crack-and-crevice treatments only, except for the following permitted uses: (1) Treatment to soil or vegetation around structural fills, (2) Applications to lawns, turf, and other vegetation, and (3) Applications to building foundations, up to a maximum height of 3 feet. Other than applications to building foundations, all outdoor applications to impervious surfaces (such as windows, doors, and eaves) and non-irrigated outdoor surfaces (such as windows, doors, and eaves) are limited to spot and crack-and-crevice applications only. Not for use in outdoor residential misting systems. Not for use in metered release devices.

**APPLICATION INSTRUCTIONS:**

Shake well before each use. Hold container upright and spray insects directly to kill on contact. Treat all areas infested with insects. Spray surfaces until wet, paying special attention to cracks, crevices, areas around drains and pipes, around asphalt, along foundations, and any other locations where insects may be hiding. Contact as many insects as possible as they are encountered. This product is non-staining to most surfaces. Do not use on surfaces that may be damaged by water. If unsure, first treat an inconspicuous area and check in a few hours for staining or damage.

**USER RESTRICTIONS:**

Do not apply more than 1 time per day.

**STORAGE & DISPOSAL:**

PESTICIDE STORAGE:

In locked storage area. Store in a cool dry place, away from heat, sparks, and open flame.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Do not re-use or refill this container. If empty: Place in the trash or offer for return to the manufacturer. Pesticide containers must be disposed of properly. Do not contaminate water, food or feed by storage and disposal.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:**

Do not re-use or refill this container. If empty: Place in the trash or offer for return to the manufacturer. Pesticide containers must be disposed of properly. Do not contaminate water, food or feed by storage and disposal.
